

Tour title: "Tokyo Modern Odyssey"

Day 1

After a meet and greet service at Narita International Airport, guests are transferred to their city center hotel in the comfort of an executive coach. Depending on the arrival time, a brief city panorama sightseeing course can also be included. After an expedited check-in at the hotel guests can relax in their rooms and prepare for the exciting few days ahead. An incentive gift can be arranged for each guest room that gives a unique flavor of Japan, heightening guests' expectancy and anticipation of the tour to come. A welcome reception rounds off the first day at the hotel.

Day 2

To know modern Tokyo, it is always a good idea to have an impression of how Tokyo was in days gone by. After taking a buffet breakfast at the hotel, guests are first escorted to the *Imperial Palace Plaza* by coach. *The Imperial Palace* occupies the former grounds of Edo Castle, located in the heart of Tokyo.

Next, guests are escorted to *Akihabara*, renowned worldwide as a treasure trove of consumer electronics. In recent times *Akihabara* has gained fame as the heartland of sub-cultures, and is the beating ground for Japan's *O-taku*, people whose lives center around animated cartoons, comics, TV games and so on.

After sampling the sights and sounds of Akihabara guests can relax during a lunchtime *Tokyo Bay cruise*. Enjoy the cityscape from the calm waters of Tokyo Bay and drink in the elegant and luxurious atmosphere.

Disembarking from the cruise ship, guests next journey to *Roppongi Hills*, a popular neo-futuristic complex and cultural center in the heart of *Roppongi*, the throbbing nightlife area of Tokyo. Here at *Tokyo City View*, an observation deck on the 52nd floor of the main tower, guests can gasp as they take in a 360 degree panorama of the city from 250m (820ft) above the ground.

Boarding the coach once again, guests pass over *Rainbow Bridge* to the waterfront entertainment district of *Odaiba*. *Odaiba* was a vacant stretch of reclaimed land until just a few years ago, but now an amazing selection of entertainment and exhibition facilities have appeared that provide Tokyo-ites and visitors with a plethora of options. After *Odaiba*, guests are transferred back to the hotel, passing through areas such as *Ginza*, *Yurakucho* or

Akasaka, each well-known districts of the metropolis that twinkle with neon in the night sky.

In the evening there are many dining options, with culinary delights on offer from around the world, with many restaurants backed by the provenance of a Michelin star rating. Guests can find gastronomic satisfaction and menus of the highest culinary standards in the world. Of course, there is also no better place in the world to enjoy authentic Japanese flavors and the rich variety of Japanese local cuisine.

Day 3

After breakfast at the hotel, guests can choose from a variety of options, including cultural programs or activities. Alternatively the day can be free for guests to set out on explorations of their own choosing.

One option is *Tokyo Disney Sea*, one of the theme parks at *Tokyo Disney Resort*. It's the only Disney Park in the world with a maritime theme. Divided into seven different ports of call, the park evokes the adventure and swashbuckling of the high seas and other adventures, not to mention many others attractions like the much talked about aqua show. Alcohol is served inside the park, the first time that alcoholic beverages have been introduced in a Disney theme park, in order to accommodate visitors of all ages.

Another option that is easily arranged is a visit to *Gotemba Premium Outlets*, shop heaven for the dedicated bargain hunter. This is Japan's largest outlet and guests can enjoy shopping at over 165 top brand stores. On returning to Tokyo from the outlet, visit *Hakone*, a beautiful scenic place surrounded in nature. Here, guests may be lucky enough to see the imposing sight of *Mt. Fuji* framed between other mountains on a fine day.

The evening is given over to a full-course seated gala dinner. Tailor-made theme parties can be arranged that guarantee a memorable occasion for all.

Day 4

After breakfast in the hotel guests are free until departure for the airport. Transfers are provided directly to Narita International Airport.
